Valley Artists Inc. presents **WOLLOMBI VALLEY SHORT FILM FESTIVAL**
 SATURDAY OCTOBER 2 2010 LAGUNA HALL

THANK YOU FOR PARTICIPATING IN THE

BECAUSE THEY SERVE UP TOP STUFF !

Valley Artists is a good name for a group of artists who live and work in a valley. It would be a good name for a company that puts on plays and theatrical productions. And it is. But it's a lot more than both of those things. It's part of a community that has become an institution, with a reputation for putting on entertainment of the highest quality and standards. They're a good mob, these Valley Artists. They're organised and they're professional. And now in their 13th year they've made a name for themselves.

Nowadays, if you hear of a VA production coming up you tend to pen it into your calendar because you know you are going to see a top-quality theatrical event for way below city prices; but with originality, freshness and professionalism equal to or better than a lot of the stuff you would pay a small mortgage to see in the city.

You know you are going to be entertained and have a unique cultural experience brought to you by actors, technicians, producers and directors who have been in the business at some time or another and some who still are. Of course, not all of them have been in the business before. Sometimes you get beginners who are interested in learning the craft or experiencing the thrill of live performance. But they're not being sent out to the front line alone. They're backed up with the support, the expertise and the encouragement of the pros. Some of them have gone on to complete NIDA courses in their particular field, sponsored by the VA organization.

AND that is where you come in! It couldn't be done without the generosity of our sponsors. They provide a level of financial security that enables us to build an impressive inventory of stage equipment, bring in professional tutors, send members for training, and more importantly proceed with confidence in producing (sometimes) bigger and (always) better shows.

The main reward of sponsorship is in the knowledge that you're an important part of this community group, but there's more. Sponsors receive a generous package of privileges including advertising, tickets to our performances and an invitation to our annual sponsors dinner, generally regarded as one the year's best parties.

And another thing. These professionals don't get paid. Why do they do it? It must be love. Love of show business. Love of performance. Love of theatre. Love of the camaraderie that comes with getting a production together. There is also the satisfaction unique to those who experience audience reaction. The exquisite excitement of live performance. There is nothing like it. Ask the Valley Artists. They'll say "Come and see for yourself". Once you've seen a VA production you won't want to miss another one. And you'll probably rush to become a sponsor.

They've got an incredibly impressive past production list, 13 years of two to three productions per year with the next one always promising to be another epic piece of theatre.

To become a sponsor simply fill in the form on the back page or visit our website: www.valleyartists.org

Phone: Janine Oliver (02) 4998 8282 or Fiona Burless (02) 4998 3339.

THIS YEAR'S SPONSORS' DINNER IS TO BE HELD ON 7TH MAY.
